

We're excited to provide you with the October *SouthPoint Update*, our monthly newsletter designed to keep you up-to-speed with our building progress. Every time you get a newsletter, you'll know you're another step closer to enjoying your new townhome and urban lifestyle in South End. **Just released – Phase III! 5 units SOLD in the last 2 weeks. Only 5 purchase opportunities remain available. Reserve your townhome before it's too late!**

The buildings are going up and neighbors are beginning to notice each and every detail that makes SouthPoint unique. We're dedicated to keeping you informed through every step of the building process. The below list encompasses the construction activity that has been completed as well as upcoming activities.

Building 1
